**SUMMARY OF INFORMATION**

Source (N) stated that SUBJECT is aloof and secretive; formerly he would be gone from his home for as much as six months at a time, but would never discuss the nature of his employment or the extent of his travels. SUBJECT does not work but always manages to have enough money for living expenses. Source personally dislikes SUBJECT and feels that in as much as SUBJECT was a police official of some kind in Lithuania during the Nazi occupation of that country, that he must have been a collaborator.
